Quick note, Cindy

Page 2 says that DEP disapproved ISCO and PRB. They only disapproved PRB—ISCO they required more info I believe. There is more on this in the detailed comments. So you may want to tweak page 2 to match the comments in the back.

Subject: Aerovox letter

Dave,

Here's a new version of the letter (w/o the comments), accepting all the changes so far. Are you comfortable with this version? If so, I'd like to send it to Audrey (and I can send it to Lynne too if you'd like me to) today so they have a chance to read it before tomorrow's meeting. (Kim, if you have comments on the letter, there will still be time to incorporate them.)

Kim, we are meeting with management (Lynne and Audrey) mainly to discuss how to roll out the interim cap. We are meeting at 2 in Mt. Lafayette on the 5th floor. I didn't think you would be interested but you are certainly welcome to join us if you want.
